## **TEAMWORK = SUCCESS**

### **Acts 6:1-7**

The infant enterprise - THE CHURCH - is under attack by Satan.

1. Persecution by the Jewish Authorities. 4:18-21; 5:27-33, 40  
Suppress by force!
2. Inward corruption of its members. 5:1-11
3. Distraction of its leaders. 6:1-7
  - a. The Problem...v. 1.
  - b. The Solution ...vv. 2-6
  - c. The principle: God calls all of us to serve and minister.  
He will use different people for different ministries.  
Eph. 4:11, 12
  - d. The Result: "spread" "increase" All Peoples believed,  
even the priests.  
God was changing lives and nothing would stop God's  
redemption stories.

One must always ask: Am I a part of the problem or the solution?
